

Cathedral of Saint Apostles in Vratsa

Descriere

The church is located right in the centre of Vratsa. Built on the site of an older church from the 17th century, it is the largest and most imposing church in the city. It has the shape of a large basilica with three naves, three apses and a dome with eight walls. The three altars inside are dedicated to Paisie Hilendarski of Hilandar and the Holy Sophronie of Vratsa (Vrachanski). The painting is frescoed, and the iconostasis and the episcopal chair are adorned with floral ornaments and decorative motifs with animals. A beautiful wood carved crucifix can be found on the pulpit. It is designated a cathedral for the Metropolitan of Vratsa, where the solemn liturgy is celebrated.
